STEWART ON SILVER.

NUMBER 16

Some Remarkable Statements by the Senator from the State of Nevada.

In a recent interview with a newspaper correspondent in New York City. senator Stewart, of Nevada, spoke his mind quite freely upon the great subject of silver coinage, of which he is an

Senator Stewart is particularly ineensed against the New York newspapers. He considers them to be nothing more than the abject tools and nouthpieces of Wall street.

"The newspapers of New York," said he, ware not the conservators of the public welfare, nor yet the mirrors in which public opinion is reflected. The New York newspapers are the abject slaves and creatures of the money power which is exercised through the bankers that control gold. There are a dozen banks in New York which shape the policies of the New York newspapers, and which have heretofore dominated the finances of the country. These banks have Euro-
